

Interior Designer- Al Thuriah

Al Thuriah is a leading real estate developer and construction company, delivering high-quality residential, commercial, and property management services in the UAE.

Location: Dubai

Major: degree in Interior Architecture and Design, or any related field

Experience: 2-4 years of relevant experience in interior design, preferably in luxury residential or commercial projects.

Major Responsibilities:

- Create conceptual, schematic, and detailed interior design layouts for high-end residential and/or commercial spaces.
- Translate client needs and business objectives into functional, creative, and sustainable interior solutions.
- Specify and recommend appropriate finishes, materials, and furnishings based on design vision, project type, and budget.
- Maintain an updated database of local and international suppliers, brands, and materials, with pricing and availability.
- Lead the selection and specification of Furniture, Fixtures & Equipment.
- Coordinate with procurement and suppliers to ensure timely delivery and quality control of FF&E packages.
- Conduct site visits to oversee installation and styling.
- Prepare comprehensive interior design documentation including drawings, mood boards, and presentations.
- Collaborate with engineers, architects, and contractors to ensure design intent is maintained throughout execution.
- Submit required documentation for internal and client approvals

Additional Requirements:

- Knowledge in Interior finishes and detailing
- FF&E sourcing (international and local brands)
- Proficiency in drawing production (AutoCAD, Revit, or similar)
- Experience in mood board and material board creation
- Site supervision and fit-out knowledge
- Excellent command of design tools (AutoCAD, Sketch Up, Photoshop, InDesign, etc.)
